DECADE OF PROGRESS

Ten years ago, Wingate was small with big ideas. Today, those ideas have happened - - become alive! "Grow, grow, grow, build, build, build," was the motto of our president and his wife. In 1956, Wingate was a large campus of four buildings. The library was small. The cafeteria was cramped into a basement of a dormitory. That was when the progress started. Time began pouring in opportunities for growth.

Alumni praised Wingate. Trustees took pride in her. Sophomores dreaded to leave. Freshmen longed to come. Onward Wingate came until today.

This 1966 Gate is to show that now we are Wingate!

SINCE 1896

Scenes
from the

WINGATE COLLEGE CAMPUS

Inch by inch, step by step, progress is made on our campus. As we attend classes or chapel and even as we walk across the grounds, we feel an inner pride mount up inside us. There is a longing for us to keep in contact and never to forget our progressive Wingate.

Among the buildings that have been added in the last ten years are the M. B. Dry Memorial Chapel, the John M. and Birdie Webb Austin Memorial Chapel — Auditorium, the Ethel K. Smith Library, the W. T. Harris Dining Hall, the Edwin L. Lowery Center, the Dickerson Infirmary, the Budd E. Smith Science Building, the J. Herbert Bridges Business Building, the Sanders-Sikes Gymnasium, the Bell Tower, and the Roy L. Holbrook Administration Building.

Northwood—The Home of our President

NORTHWOOD

Northwood, the President's home, is built to accommodate both home and college activities. Built around the Modified Georgian style of architecture, it was completed in 1963. It now stands as another symbol of the growing and changing Wingate.

DEDICATION

To one who has performed his official duties with dispatch and perpetual good humor, who has given generously of himself in his counseling with students and others, we the staff of the 1966 Gate, dedicate this edition. To the personable dean, Dr. Henry Boyd Israel, with gratitude and appreciation we present this volume.

The work of registering Wingate's ever-increasing student body is just one of the many duties that Dean Israel performs with enthusiasm and competence.

Among Dean Israel's many talents is that of singing. His appearance in the Talent Show is his one performance which we shall never forget.

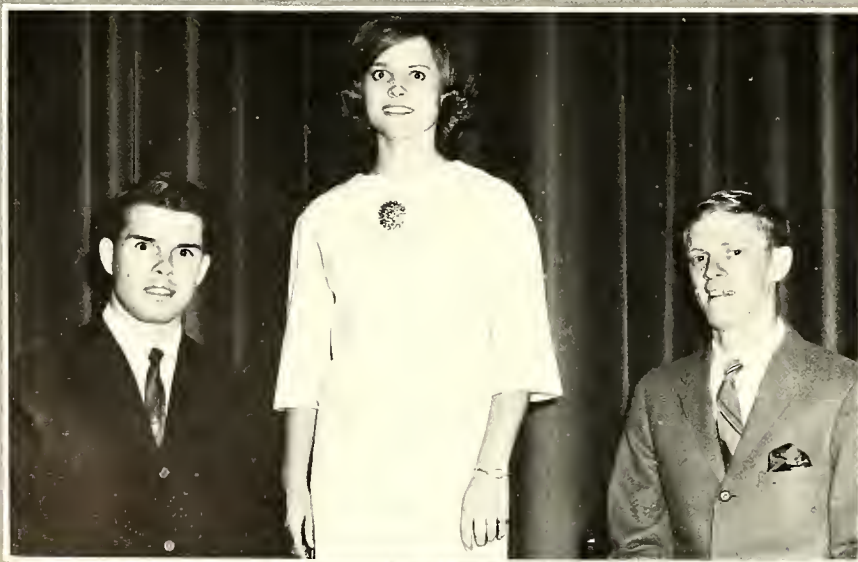

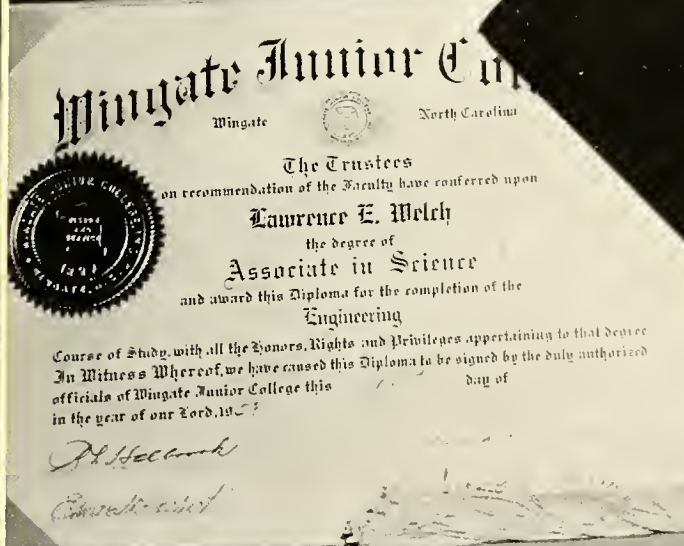

Dean Israel's office door is always open to students who have problems or need his help. He furnishes the interest and concern that means so much.

A typical Wednesday in the life of our model sophomore, Robert Scarboro, begins with an early history class.

After dinner Robert settles down for the long night of preparing his work for the next class day.

After a mad dash for the cafeteria, Robert has a chance to relax with his noon meal.

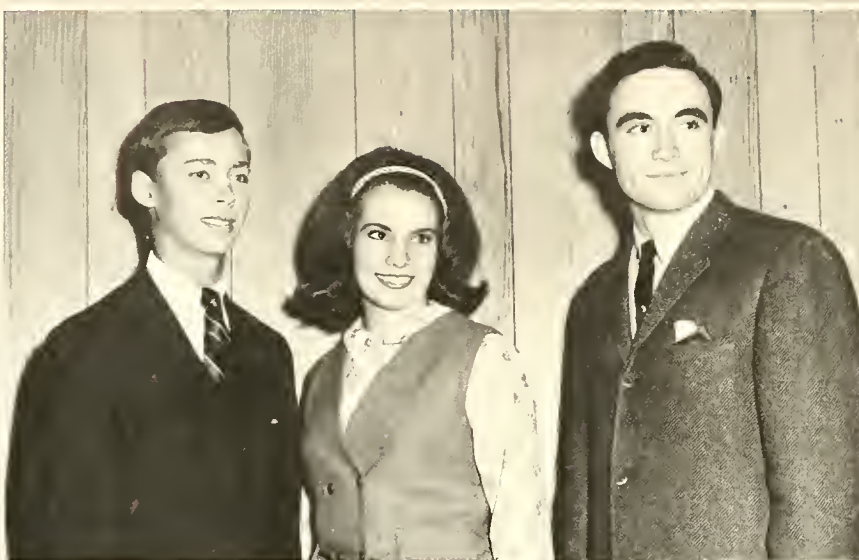

A DAY IN THE LIFE OF A SOPHOMORE

He soon becomes occupied with another important "subject" at the fountain in the park.

The library provides Robert with the quiet hours he needs in the afternoon.

In Memoriam

This year we have lost four very beloved friends. The whole student body shares deep sorrow over losing these classmates. It sometimes seems we appreciate our friends more after they are taken away from us. They are now free from all the world's sorrow, tears, and pain.

Our classmates marked the pattern on life's loom, and we must hold the threads and make the patterns turn out as God planned. Only when we have completed the weaving, can we see and admire the real handiwork of the weavers guided by God.

*Life! I know not what thou art,
But know that thou and I must part;
And when, or how, or where we met,
I own, to me's a secret yet,
But this I know, when thou art fled,
Where'er they lay these limbs, this head,
No clod so valueless shall be
As all that then remains of me.*

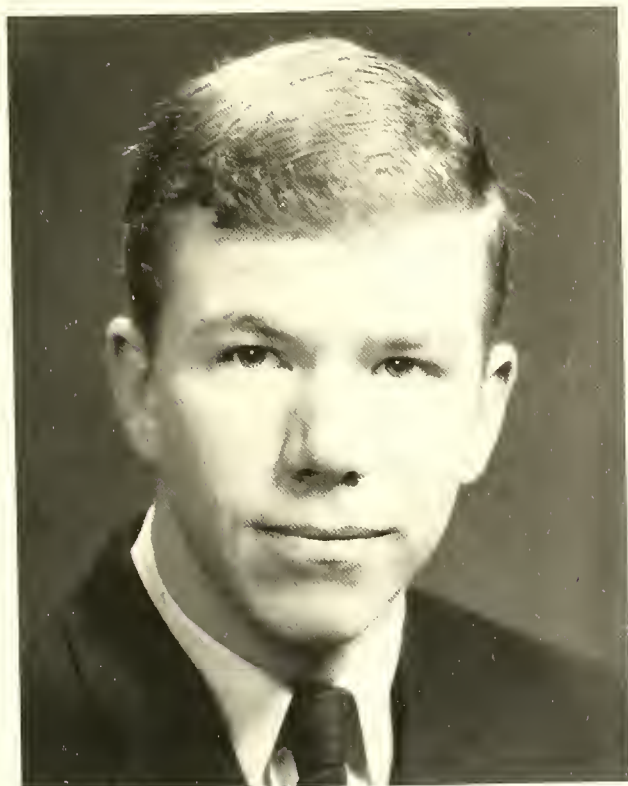

*Life! we've been long together
Through pleasant and through cloudy weather;
'Tis hard to part when friends are dear;
Perhaps t'will cost a sigh, a tear;
Then steal away, give little warning,
Choose thine own time;
Say not, "Good night," but in some brighter clime
Bid me "Good morning."*
